Subject: remnant parcels

To Whom It May concern,

I am strongly opposed to the selling of Haleiwa Regional Park Mauka to anyone. It is public land and should remain so. Unless you can predict the future forever. It was originally Kamehameha land so it should be returned to them. Or at the least they should have first right of refusal to buy back. I also don't appreciate it being a sealed bid. There are hundreds of new hotels rooms in the works between Laie and Kuhuku. We still do not have the infrastructure for. Traffic lights and crosswalks are going to impede traffic even more in Haleiwa town. Laniakea is a mess and all the city does is study the problem for years. The city cannot enforce their own laws now. The city council is not paying attention to NorthShore concerns.
